## TEN YEAR WARRANTY URETHANE FOAM INSULATED ROOFING SYSTEM

A-S URETHANE SYSTEMS, INC. warrants the urethane foam and coating system on the below named job to be free of defects in labor, material and workmanship and warrants same to maintain its waterproofing integrity for a period of TEN year(s). Warranty period to begin upon roof installation completion.

This Warranty is limited to the foam and coating system and warrantors shall not be liable for damage to the installation by others, nor for consequential damage to interior of building or contents thereof. Ordinary wear, tear, abuse or neglect excepted.

Purchaser shall give immediate notice of any defects or failure of system to warrantor and a reasonable time shall be allowed to affect a remedy.

This Warranty shall be in effect when all contractual obligations have been fulfilled and full payment, including any retention, has been received.
